MEMORANDUM FOR: Chairman, Committee on Imagery Requirements and Exploitation

SUBJECT: OXCART Mission EX6706

REFERENCE: Minutes of COMIREX-M-1, 6 July 1967

25X1A [redacted]

1. The 6 July 1967, COMIREX meeting minutes contain an erroneous statement that BLACK SHIELD mission EX6706 overflew the south coast of Hainan Island. Informal action has been taken by 25X1A [redacted] to correct this error.

2. Due to sensitivity that could be associated with inadvertent BLACK SHIELD overflights of CHICOM territory, I solicit the co-operation of all concerned to preclude recurrence of erroneous mission data being circulated to the Intelligence Community. Should an inadvertent overflight be suspected, it will be investigated and if substantiated, concerned personnel will be notified.
